A. Introduction

The purpose of this report is to document conformance with the requirements of the LegalSource standard by Lubox Holland BV hereafter referred to as "Organisation". The report presents findings of LegalSource auditors, who have evaluated the Organisation's systems and performance against the applicable requirements. The sections below provide the audit conclusions and follow-up actions required by the Organisation.

Dispute resolution: If stakeholders have concerns or comments about the LegalSource standard or the auditing body, they are encouraged to contact their closest NEPCon regional office. Formal concerns and complaints should be sent in writing.

Audit team:	Debora van Boven-Flier Debora holds an MSc in Tropical Forestry from Wageningen University and Research Centre, the Netherlands. She has participated in various lead auditor courses for FSC, PEFC, LegalSource and SAN and she has been conducting audits since 2008.
Description of Audit Process:	Prior to the audit Lubox Holland BV (Lubox) had submitted their Due Diligence system for sourcing of timber products, relevant legality documents and the audit reports of their suppliers. On-site audit covered the following: 1. Opening meeting, audit program and scope 2. Introduction by Lubox to the organisation and their Due Diligence system 3. Evaluation of the documented procedures, including responsibilities, commitments made by the organisation, procedures for internal monitoring and definition of product scope 4. Evaluation of the general procedures for access to information, risk assessments and risk mitigation procedures adopted by Organisation

	<p>5. Evaluation of operational implementation of the DD system, including:</p> <p>a. Interview with staff involved in the operational implementation of the DD system</p> <p>b. Evaluation of a sample of supply chains and the implementation of the Due Diligence</p> <p>on the selected samples (access to information, risk assessment and risk mitigation)</p> <p>6. Closing meeting: presentation of LegalSource audit conclusions and discussions and follow-up.</p> <p>A wide range of documentation and records were reviewed during the audit, including the following (NEPCon DDS documents are used):</p> <ul style="list-style-type: none"> - Due Diligence Manual - Staff Instruction Sheet - Legality Declaration for Suppliers - Supplier Consent and Information Form - Responsible Purchasing Policy - Letter for request of information <p>During the audit a sample of consignments (both boat and truck loads) were selected for which Organisation presented how their Due Diligence system had been implemented.</p>
Actions taken by Organisation prior to report finalisation:	Complaint procedure was added to the DDS as well as the evaluation of the certification schemes. The draft evaluation of NEPCon of the FSC system was adopted and used.
Notes for the next audit:	None

C. Audit Findings

Audit Conclusion:	
Organisation approved: Minor non-conformance(s) issued	<input checked="" type="checkbox"/>
Organisation not approved:	<input type="checkbox"/>
Additional comments: Minor non-conformance that was issued, could also be closed.	

Non-Conformances

Non-conformance reports (NCRs) describe the non-conformances identified during audits. NCRs include defined timelines for the Organisation to demonstrate conformance. MAJOR non-conformances issued during assessments/reassessments shall be closed prior to issuance of the certificate. MAJOR non-conformances issued during annual audits shall be closed within the timeline specified in the NCR, or result in certificate suspension. Where applicable, all non-conformances against standard requirements are shown below:

Non-Conformance #:	01/17 (14708)	
Non-Conformance Grading:	MAJOR <input type="checkbox"/>	Minor <input checked="" type="checkbox"/>
Standard & Requirement:	LegalSource Standard (LS-02) v2, Requirement 4.1.1	
Description of Non-conformance:		
<p>Exh 2, Section 4.3 states that the DDS shall be maintained, evaluated and revised where necessary on an annual basis. As an internal audit the responsible LS person looks at two random invoices and checked whether they met LegalSource procedures.</p> <p>The internal audit took place at 26 October 2016 and was carried out by Rick Burgmans. All necessary administrative steps are taken. However, in the internal report template there is no space for non-conformities and / or corrective actions.</p> <p>NCR 01/17 was issued.</p>		
Corrective action request:	<p>4.1 The Organisation shall review its due diligence system at a minimum annually, in order to address any weaknesses...</p> <p>4.1.1 All non-conformances and corrective actions identified shall be documented.</p>	
Timeline for Conformance:	12 months from report finalisation date	
Evidence Provided by Organisation:	Organisation has adjusted the internal audit template which has now room for corrective actions. See exhibit 5.	
Findings for Evaluation of Evidence:	The internal audit template now foresees in taking corrective actions when required.	
NCR Status:	CLOSED	
Comments (optional):		

Observations

Observations (Obs) are issued for the early stages of a problem which does not in and of itself constitute a non-conformance, but which the auditor considers may lead to a future non-conformance if not addressed by the Organisation or where general improvements may be made. Where applicable, all observations are shown below:

- No observations were issued.

D. Closed Non-Conformances

Closed Non-Conformances

This section indicates where the Organisation has adequately addressed non-conformances issued during or since the last audit.

Any non-conformances which cannot be closed remain open and appear in Section C (above). Failure to comply with a minor non-conformance results in the NCR being upgraded to major; the specified follow-up action is required by the Organisation or involuntary suspension will take place.
